International School

"Innovating and designing the future of tomorrow"

Affiliated to Central Board of Secondary Education
(Affiliation No. : 1030708)

Mrs. Madhu Jaiswal the founder of the organization whose dream and commitment to develop Stemfield International School started in the year 2009. Her source of inspiration was her husband (Late. Shri Surendra C. Jaiswal), who inspired her to step out her feet in this Edu-Arena. Ma'am vision - "Innovating and designing the future of tomorrow" which clearly restricts to imparting bookish knowledge only but inculcate humanitarian values.

Mrs. Madhu Jaiswal
Chairperson

Our Motto

- To Offer quality teaching & learning environment.
- To groom overall personality of students.
- Primary focus on soft skills.
- Create an ambience for total development of staff and students.
- Ensure quality services in all aspects of the campus.
- Prepare students as global leaders for ensuring justice peace, prosperity, love, respect for all and a good human being.

Board of Trustees :

- **Mrs. Madhu Surendra Jaiswal**

- **Mr. Subhash Mahajan**
- **Mr. Sachin More**
- **Mrs. Supriya Jaiswal**
- **Mrs. Swapna Mahajan**
- **Mrs. Snehal Kadam**

2nd Branch

Mr. Parv Jaiswal an owner of Bombay Photo Circle and Studio is a free lance Photographer by profession since three decades in Mumbai. Mr. Parv was having a strong passion and vision to bring high quality education to the city of Jabalpur and this vision carried his life through reality in an exciting and exhilarating journey, and became the key catalyst for the first branch of 'Stemfield International School' at Baldeobagh in 2010. His phenomenal drive and clear idea stepped up with more staircases by opening the second branch of 'Stemfield International School' at Vijay Nagar in 2020.

Warm Regards

Mr. Parv Jaiswal
Director

An eminent personality with highly developed human skill is aware of her own perceptions, assumptions and beliefs about other individuals and groups.

As a co-founder of Stemfield International School she worked a hand-in-hand with Mr. Parv Jaiswal and high-lifted the School Administration by designing the school curriculum and day-to-day operation. Currently she co-ordinates both the branches with Administrative responsibilities, taking care of admissions, teacher training and resource management.

Warm Regards

Mrs. Supriya Jaiswal
Chief Administrator

Mission

Stemfield International School strives for quality in academics, character formation and developing a scientific temper, thereby opening new avenues for enriching life. Stemfield International School epitomizes concept-centric education. Ensuring opportunity for all, upholding rigorous academic standards, innovation, respect for diversity, exploration and discovery of eco friendly technology for sustainable development of humanity.

Vision

“Nurturing children to grow with confidence” We enroll, educate and inspire students to be a part of India's big dream of becoming a developed nation advanced and basic as well as Conceptual knowledge in all spheres of human life.

Spacious 4000 sq.ft. library with diverse book bank.

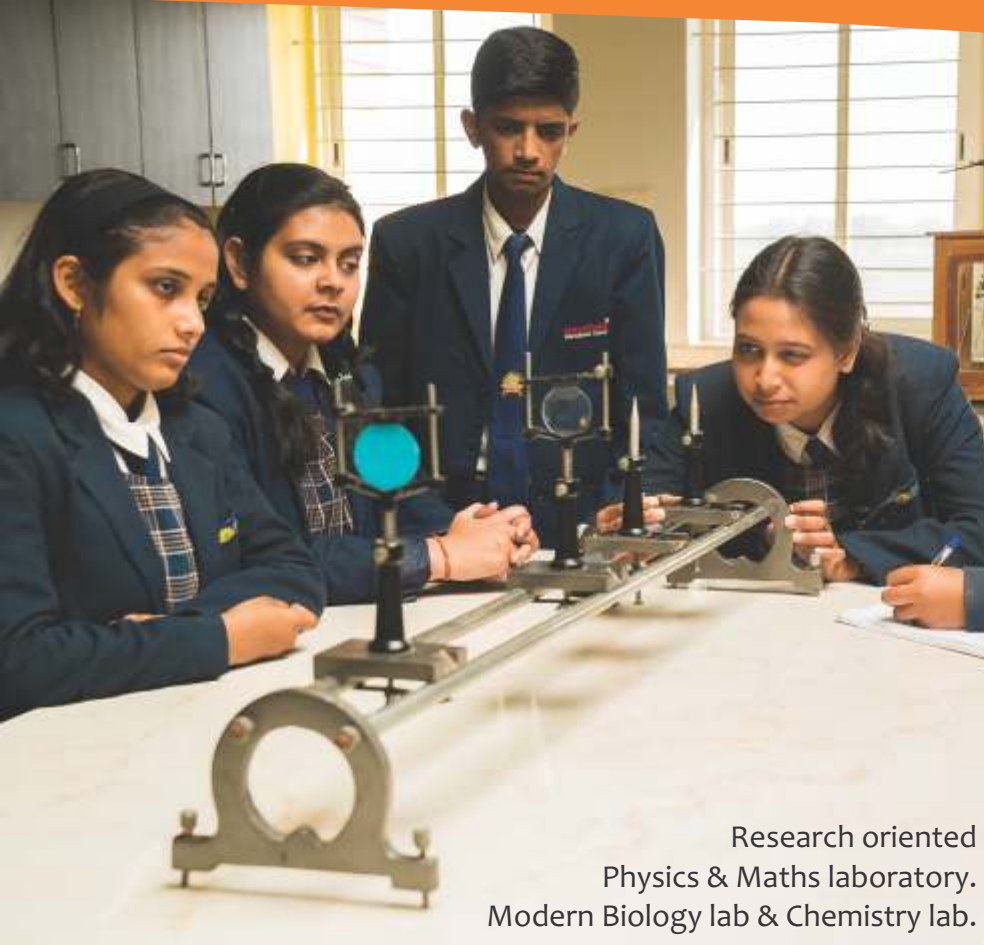

Advance computer & IT lab.

A library is a very useful platform that brings together who always willing to learn. It helps in learning and expanding the knowledge. Every child develops their reading habits and satisfy their thirst and curiosity for knowledge, which help in the personal growth and development.

Activity based learning motivates students to participate in their own learning experience via-practical activities such as independent investigation and problem solving.

Research oriented
Physics & Maths laboratory.
Modern Biology lab & Chemistry lab.

Practical knowledge are an excellent way to keep young learners engaged and spark their curiosity around the topic of Science. These Critical thinking skills are vital in STEM subjects and will improve the child's overall understanding

Artistic art & craft room.

Art activities can enhance the children's dexterity and agility with the enhancement of such fine motor skills and much practice, a child's manual dexterity, artistic skills, and speed will also increase.

Learning and Teaching

Our main focus is to provide education in a way that students can prosper in academics and other sections for overall growth of their personality in a cheerful and stress free manner that every child can adapt to. "It should nourish his personality with excellence in knowledge and his soul with ethics and moral values."
